Other

- Mooring lines, zincs, fishing gear – across from the Shaoquantou Marina, Binhai 2nd Rd.
- Wire rope, wire splicing – Binhai 1st Rd.
- wood and plywood – crossroad of Nianqing and Chunghua Rd
- Basic HW, hoses, Teflon and other plastic – Xinxing St.
- 3M sealants are available, but must be bought by larger amount, ask Peter Pan (viz Noonsite)

- Running rigging made in Taiwan, ask Peter Pan (viz Noonsite)

Haulout

- Many yards tending to fishing boats on Qijin island not willing to put up with yachts. Too much trouble to haul out and worries about damage. If they have a cradle it is usually rusty. We witnessed one haulout using slip ways. It is not for faint hearted. Would recommend in emergency only. Prepare for a lot of shouting and gesticulating. Must have Chinese speaker.
- Charges:
 - around 20k NTD for haulout on a slip way
 - 6k NTD power wash
 - crane costs around 6k NTD, i.e. 12k in and out
- no travel lift

Epoxy and Fiberglass

- Chin Shun Yi
 - epoxy resin (Taiwanese): 0.9kg+0.3kg hardener = 550NTD, 15kg+3kg = 7000NTD
 - polyester resin (Taiwanese): 3kg = 470NTD + hardener 50NTD
 - chopped strand (Taiwanese, ~10oz?): 1kg = 150NTD
 - cloth (USA): ~1x1m = 270NTD
 - mold release (TR 104): 350NTD
- FRP Wholesale
 - polyester resin: ~1,5l = 90NTD
 - chopped strand (heavier) and woven roving both around 100NTD/kg

Other sources in Taiwan
